## **INDEPENDENT AUDITORS' REPORT**

### **TO THE MEMBERS**

#### **THE INSTITUTE OF INTERNAL AUDITORS HONG KONG LIMITED**

(INCORPORATED IN HONG KONG AS A COMPANY LIMITED BY GUARANTEE)

#### **Opinion**

We have audited the financial statements of THE INSTITUTE OF INTERNAL AUDITORS HONG KONG LIMITED ("the Company") set out on pages 5 to 12, which comprise the statement of financial position as at 31 May 2024, and the income statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements of the Company are prepared, in all material respects, in accordance with the Hong Kong Small and Medium-sized Entity Financial Reporting Standard ("SME-FRS") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

#### **Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA") and with reference to Practice Note 900 (Revised), Audit of Financial Statements Prepared in Accordance with the SME-FRS issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other responsibilities in accordance with the Code. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

#### **Other Information**

The Governors are responsible for the other information. The other information comprises the information included in the Governors' report set out on pages 1 to 2 and detailed income statement in the appendix, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of the Governors for the Financial Statements**

The Governors of the Company are responsible for the preparation of financial statements in accordance with the Small and Medium-sized Entity Financial Reporting Standard (SME-FRS) issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal controls as the Governors determine are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Governors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Governors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS

#### THE INSTITUTE OF INTERNAL AUDITORS HONG KONG LIMITED

(INCORPORATED IN HONG KONG AS A COMPANY LIMITED BY GUARANTEE)

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Governors.
- Conclude on the appropriateness of the Governors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**(b) Company's information**

THE INSTITUTE OF INTERNAL AUDITORS HONG KONG LIMITED, ("the Company"), is a Company incorporated in Hong Kong as a company limited by guarantee under the Hong Kong Companies Ordinance. Its registered office is Suite 1106-8, 11/F., Tai Yau Building, No.181 Johnston Road, Wanchai, Hong Kong. The principal activity of the Company is providing membership services, education, research and technical guidance for its members during the year.

**(c) Reporting currency**

Unless stated otherwise, all currency figures in these financial statements are presented in Hong Kong Dollars (HK\$) rounded to the nearest one dollar.

**THE INSTITUTE OF INTERNAL AUDITORS HONG KONG LIMITED**  
(INCORPORATED IN HONG KONG AS A COMPANY LIMITED BY GUARANTEE)

**NOTES TO THE FINANCIAL STATEMENTS**

**31 MAY 2024**

**2. Basis of preparation**

**(a) Statement of compliance**

These financial statements comply with all applicable sections of SME-FRS and have been prepared under the accrual basis of accounting and on the basis that the Company is a going concern.

**(b) Basis of measurement**

The measurement bases used in preparing these financial statements are set out in note 3 to the financial statements.

**3. Summary of significant accounting policies**

The Company qualifies for the reporting exemption as a small guarantee company under section 359(1)(a) of the Hong Kong Companies Ordinance (Cap.622). The Company is therefore entitled to prepare and present its financial statements in accordance with the Small and Medium-sized Entity Financial Reporting Standard (the 'SME-FRS') issued by the Hong Kong Institute of Certified Public Accountants.

The followings are the specific accounting policies that are necessary for a proper understanding of the financial statements.

**(a) Revenue recognition**

Revenues are recognised when it is probable that the economic benefits will flow to the company and when the revenue can be measured reliably, on the following bases:

- i) Income from activity is recognised when the activity was held.
- ii) Sponsorship income is recognised as income when it becomes due for payment.
- iii) Membership income is recognised in the financial year for which the membership relates.
- iv) Sale of goods is recognised when the goods are delivered and the significant risks and rewards of ownership have been passed to the buyer and the Company retains neither continuing managerial involvement to the degree usually associated with the ownership nor effective control over the goods sold.

**(b) Income taxes**

Current tax is recognised as income or expense, except to the extent that the tax arises from a transaction or event that is recognised other than in the income statement, based on estimated taxable profit using the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Current tax for current and prior reporting periods is, to the extent unpaid (or refundable), recognised as a liability (or an asset).

Deferred tax is not recognised.

(INCORPORATED IN HONG KONG AS A COMPANY LIMITED BY GUARANTEE)

**NOTES TO THE FINANCIAL STATEMENTS**

**31 MAY 2024**

**3. Summary of significant accounting policies (...continued)**

**(c) Property, plant and equipment**

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The depreciable amount of an item of property, plant and equipment is allocated on a systematic basis over its estimated useful life using the straight-line method. The estimated useful lives used for depreciation are as follows:

	2024	2023
Office equipment	-	25% per annum

**(d) Impairment of assets**

An assessment is made at the end of each reporting period to determine whether there is any indication of impairment or reversal of previous impairment, including items of property, plant and equipment, intangible assets and long-term investments. In the event that an asset's carrying amount exceeds its recoverable amount, the carrying amount is reduced to recoverable amount and an impairment loss is recognised in profit or loss. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the recoverable amount, however not to an amount higher than the carrying amount that would have been determined (net of amortisation or depreciation), had no impairment losses been recognised for the asset in prior years.

**(e) Foreign currency transactions**

The reporting currency of the Company is Hong Kong Dollars, which is the currency of the primary economic environment in which the Company operates.

Foreign currency transactions are converted at the exchange rate applicable at the transaction date. Foreign currency monetary items are translated into Hong Kong Dollars using exchange rates applicable at the end of the reporting year. Gains and losses on foreign exchange are recognized in the income and expenditure statement.

**(f) Components of cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other financial institutions, and short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are also included as a component of cash and cash equivalents for the cash flow statement.

**NOTES TO THE FINANCIAL STATEMENTS**

**31 MAY 2024**

**3. Summary of significant accounting policies (...continued)**

**(g) Trade and other receivables**

Trade and other receivables are stated at estimated realisable value after each debt has been considered individually. Where the payment of a debt becomes doubtful a provision is made and taken in the income statement.

**(h) Inventories**

Inventory of learning materials are stated at the lower of cost and net realizable value. Cost of inventory of learning materials are valued on a FIFO basis and comprise of purchase costs. Net realizable values of inventory of learning material are determined by the Governors as to their estimated selling values.

Where inventory of learning materials are sold, the carrying amount of those stock is recognised as an expense in the year in which the related revenue is recognised. The amount of any write down of inventory to net realizable value and all losses of inventory are recognised as an expense in the year the write down or loss occurs. The amount of any reversal of any write down of stocks, arising from an increase in net realizable value, is recognised as a reduction in the amount of inventory recognised as an expense in the year which reversal occurs.

**4. Income and other revenues**

The amount of each significant category of income recognised during the year is as follows:

	2024 HK\$	2023 HK\$
